## User Registration

---

Welcome to IHS! Please take a moment to complete this one-time "user" registration. **Note that your email address will be your username.** The email address/password will only be used to protect your profile information. You will continue to use your company login or portal to access these services. This will not change the way in which you currently access the products for which this account currently subscribes.

This information is considered confidential. For details, please review the [IHS Privacy Policy](#).

» **Already registered?** [Log in ...](#)

### Create your User Profile:

---

First Name:	<input type="text"/>
Last Name:	<input type="text"/>
Email Address:	<input type="text"/>
Password:	<input type="password"/>
Re-Enter Password:	<input type="password"/>

I would like to receive:

- product update and support information notifications
- information about other IHS products and services

All fields are required.

If you need assistance in completing this form please contact [IHS Customer Care](#).

4. Select *IHS Standards Expert* for searching/ordering or *Support and Training* for more info on using IHS Standards Expert:

Welcome to the UC Davis - IHS Demand Driven Standards pilot.

The University Library will purchase print copies of industry standards at no cost to the requester for UC Davis affiliated faculty and researchers.

**Please Note: Adding standard(s) to one's individual cart and checking out will send the title(s) to the Library for purchase.**

If you have any questions about the pilot or ordering procedures, please e-mail Robert Heyer-Gray at rhey@ucdavis.edu.
