**Font Size**
These options will increase or decrease your font size to regular (your browser’s currently set font size), medium, or large. Note that you can also zoom in and out using your browser’s settings.

**Site Contrast**
- Regular: this will show the unaltered color version of Leganto.
- Black and White Mode: this shifts Leganto into a grey-scale display.
- High Contrast Mode: this shifts Leganto to a color version that will work better for people with colorblindness.
