

Interlibrary Loan Article Requesting PubMed Quick Guide

1. Search available online databases for articles; for this quick guide, we began our search in PubMed. To access e-resources, login to the [library VPN](#) before beginning your search
2. Locate the article you need; if full-text isn't available, click the **UCD-eLinks** button to begin an Interlibrary Loan/Document Delivery request

3. You will be redirected to the UC Davis library catalog. Proceed with requesting via Interlibrary Loan

6. Enter your UCD campus computing ID or **Library Account/Account Number** and click **Next**.
7. Verify that the request information is correct and **fill out all required fields; add Notes as needed** (indicate if this is a "RUSH REQUEST" in the Notes field; Ex. Urgent patient care,

imminent grant or publication deadline, etc.). We recommend that all users email a confirmation of this request to themselves to help with follow-up and tracking. Click **Next**.
