

Interlibrary Loan Article Requesting ScienceDirect Quick Guide

1. Search available online databases for articles; for this quick guide, we began our search in ScienceDirect. To access e-resources, login to the [library VPN](#) before beginning your search
2. Locate the article you need; if full-text isn't available, click **Get Access** then the **UCD-eLinks** button to begin an Interlibrary Loan/Document Delivery request

3. You will be redirected to the UC Davis library catalog. Proceed with requesting via Interlibrary Loan

6. Enter your UCD campus computing ID or **Library Account/Account Number** and click **Next**.
7. Verify that the request information is correct and **fill out all required fields; add Notes as needed** (indicate if this is a "RUSH REQUEST" in the Notes field; Ex. Urgent patient care,

imminent grant or publication deadline, etc.). We recommend that all users email a confirmation of this request to themselves to help with follow-up and tracking. Click **Next**.

Request
Interlibrary Loan and Document Delivery
Home Campus: UC Davis

UC does not currently have access to this Elsevier article due to Elsevier's unwillingness to agree to UC's terms for lic

This form is the library's alternative access support service for Elsevier articles. [Learn more](#)

Title: Adults with polio are at risk of hip fracture from middle age: A nationwide population-based cohort study
Author: Wu, Chien-Hua
Source: Injury v.50 (3), 2019-03, 738-743
