

USING ZOTERO TO AUTOMATE PDF RETRIEVAL

Prepared by the
UC Davis Systematic Review Service

**ZOTERO:
FREE CITATION
MANAGEMENT
SOFTWARE
OPTIMIZED FOR
MOZILLA FIREFOX**

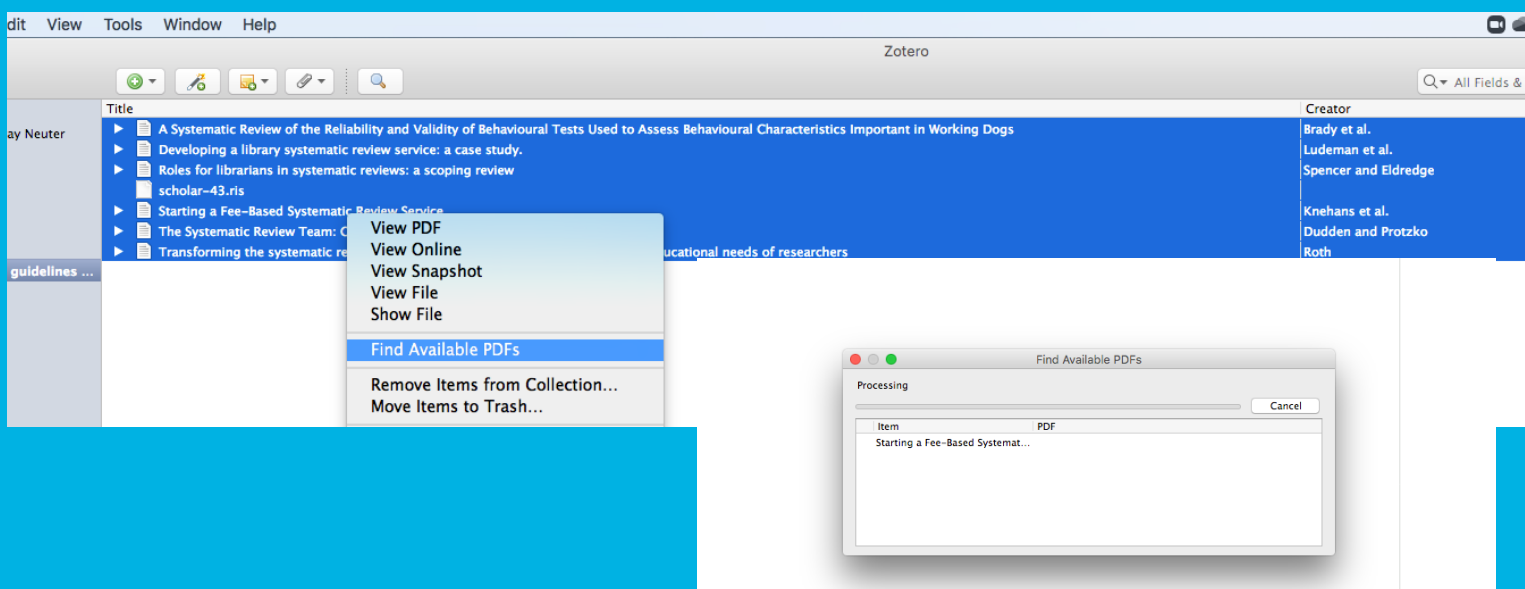

www.zotero.org

ZOTERO HAS A PDF RETRIEVAL FEATURE

- Make sure your Library VPN is connected
- Select all the citations you want to retrieve as PDFs in your library.
- Right click and select "Find Available PDFs".
- Zotero will now retrieve as many PDFs as it can locate and connect them to your citations

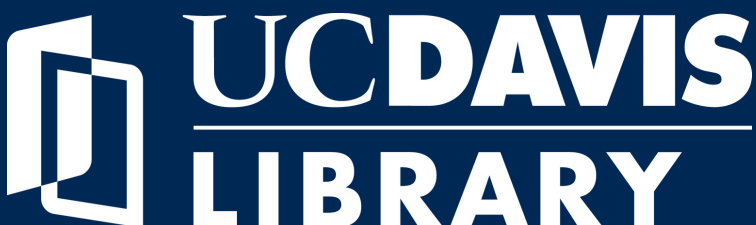

Go to <https://www.library.ucdavis.edu/service/connect-from-off-campus/> for help connecting to library resources

**DOES IT GET ME
EVERYTHING
AVAILABLE FROM THE
UC DAVIS LIBRARY?**

Zotero will not automatically retrieve all articles licensed by UCD Library. Use [UCD-eLinks](#) to navigate to full-text articles or to place interlibrary loan requests as needed.
