Library Administration

Green = Approved to Fill

TE = TES Employees
Term = temporary academic appointments
Term = appointments with end dates
Contract = contracted positions
Limited = emergency time-limited

This document contains a diagram of the University of California, Davis Library organizational structure, including roles, positions, and reporting structures. The diagram is designed to provide a visual representation of the various departments and their relationships, with specific names and titles assigned to each position. The document also includes notes on the status of positions, such as being approved to fill or having temporary appointments.
